**Interim Results For The Six Months Ended 30 June 2023**

Evrima plc the investment issuer focused on opportunities within the commodities, mineral exploration and development sectors is pleased to announce its unaudited interims results for the six months ended 30 June 2023.

As of 30 June 2023, Evrima Plc maintains a diverse portfolio of both listed and private investments across various sectors. These investments align with the Company's strategic focus on opportunities within the commodities, mineral exploration, and development industries.

Evrima's holdings in listed investments encompass a range of publicly traded companies, reflecting its commitment to capitalising on opportunities in the ever-evolving global financial markets. These investments are selected with a view towards maximizing returns in the current economic landscape.

Additionally, the Company's portfolio includes private investments in companies that exhibit substantial growth potential within their respective niches. These investments are carefully chosen after rigorous due diligence and align with its long-term vision for sustained profitability and value creation.

Evrima Plc remains dedicated to actively managing and nurturing these holdings, seeking opportunities to optimise returns and unlock value for its shareholders. The Company's investment strategy is rooted in its ability to adapt to the dynamic economic and geopolitical environment while maintaining a prudent and forward-looking approach

Evrima continues to monitor the performance and developments of its holdings, striving to capitalise on favourable market conditions and seize opportunities as they arise. The Company's commitment to maintaining a well-balanced and strategically diversified investment portfolio remains unwavering.

Please note that detailed information regarding individual investments, including specific holdings, can be found in the Company's financial reports and statements.

The Company looks forward to providing further updates on its investment portfolio's performance and any notable developments in future reports.

The half-yearly financial report has not been audited or reviewed by the Company's auditors.
